Warranty	Rocklabs standard equipment is warranted against manufacturing defects for the period of one year, or the first 2000 operating hours, whichever comes first. The warranty period commences on the date of dispatch. During the warranty period, any machine component proven to have a manufacturing defect causing premature failure will be replaced, at no charge for the replacement part. Freight terms are EX WORKS for all warranty replacement parts (all costs relating to shipping, customs charges, duties, taxes and insurance are the customers' responsibility from dispatch at Rocklab's facility). This warranty does not cover failure due to accidents, abuse, misuse, or use of non-Rocklabs parts & heads, negligence or acts of God.
